Handtooled leather belt

At MLVO Leather, craftsmanship is at the heart of everything we do. Our strength lies in masterful hand-tooling, detailed hand-painting, and precise antique finishing, all carried out by a large, highly experienced team of artisans — many with decades of expertise.

While our brand has grown steadily over the past 3 years, the skills behind each belt reflect generations of traditional craftsmanship. We've proudly supplied to reputed brands across the USA, delivering trend-forward designs, consistent quality, competitive pricing, and reliable on-time delivery.

The photos shared here offer a glimpse into our production process — showcasing the hand-tooling, hand-painting, and final antique color finishing that set our belts apart.

At MLVO Leather, we have the team strength, capacity, and expertise to handle bulk orders without ever compromising on quality. With every belt, you're not just purchasing a product—you're partnering with a manufacturer committed to authenticity, consistency, and excellence.
